INTELLIGENCE ADVISORY COMMITTEE

SEC 3-55: Critical Deficiencies in

Biological Warfare Intelligence

1. The enclosed report, prepared by the Scientific Estimates Committee in accordance with IAC-D-80, para. 6, as approved in IAC-M-138, para. 3, is forwarded for approval of the recommended action to be taken by appropriate departments and agencies.
2. The SEC determinations of the critical deficiencies in BW and the corresponding recommendations for their elimination are based on SEC 2-54, "Estimate of Soviet Biological Warfare Capabilities through 1960," and were considered in light of the national intelligence objectives and priorities established by DCID 4/4.
3. This report will be placed on the agenda of an early meeting of the IAC.
